

NATIONSHEALTH RECEIVES ACCREDITATION

At NationsHealth:

Timothy Fairbanks, CFO 954-903-5018

Sunrise, Fla – July 30, 2007 – NationsHealth, Inc. (Nasdaq: NHRX; NHRXW; NHRXU) today announced its award of accreditation status by the Accreditation Commission for Health Care, Inc. (ACHC) for Medical Supply Provider Services. Successful accreditation by a Centers for Medicare & Medicaid Services (CMS)-approved organization is one of a number of mandatory pre-requisites to being awarded a contract for the new CMS Competitive Bidding program for diabetic supplies and other DMEPOS, which is now due September 25, 2007.

Accreditation is an activity where healthcare organizations submit to peer review of their internal policies, processes and patient care delivery measuring them to national standards. By attaining accreditation, NationsHealth has demonstrated its commitment to maintain its high level of competency and continually strive for excellence in its products, services and customer satisfaction.

“We are pleased with our recent accreditation and will continue implementing industry best practices throughout the organization,” said Glenn Parker, the Company’s Chief Executive Officer.

About NationsHealth, Inc.

NationsHealth seeks to improve the delivery of healthcare to Medicare and managed care beneficiaries by providing medical products and insurance related services. NationsHealth provides home delivery of diabetes supplies, medications and other medical products to patients across the nation. In addition to its medical products business, NationsHealth also provides education, marketing, enrollment and patient service to insurers offering Medicare Part D prescription drug plans and other Medicare insurance coverage. NationsHealth has an agreement with CIGNA to service its Medicare Part D prescription drug plans nationally. For more information please visit <http://www.nationshealth.com>.

About ACHC

ACHC, a private, not-for-profit Corporation which is certified to ISO 9001:2000 standards, was developed by home care and community-based providers to help companies improve business operations and quality of patient care.

This press release contains forward-looking statements about NationsHealth, including statements regarding management initiatives and new product and market opportunities, none of which should be construed in any manner as a guarantee that such results will in fact occur. In addition, other written or oral statements that constitute forward-looking statements may be made by us or on our behalf. Forward-looking statements are statements that are not historical facts, and in some cases may be identified by the words “anticipate,” “project,” “expect,” “plan,” “intend,” “may,” “should,” “will,” and similar words or phrases. Such forward-looking statements, based upon the current beliefs and expectations of NationsHealth’s management, are subject to risks and uncertainties, which could cause actual results to differ from the forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: changes in Medicare, Medicaid and any other state or national-based reimbursement program, including competitive bidding for durable medical equipment and supplies; our ability to maintain our existing customer base; our ability to raise the capital we will need to sustain our operations; and our dependence on Medicare reimbursement and other risks and uncertainties described in NationsHealth’s Annual Report on Form 10-K for the year ended December 31, 2006, and in NationsHealth’s other reports filed with the Securities and Exchange Commission. The information set forth herein should be read in light of such risks. NationsHealth cautions investors not to place undue reliance on the forward-looking statements contained herein. These statements speak only as of the date of this press release and, except as required by applicable law, NationsHealth assumes no obligation to update the information contained herein.
