**NATIONSHEALTH RECEIVES STAFF DETERMINATION LETTER FROM NASDAQ
-NationsHealth, Inc. Intends to Initiate Appeal Process-**

Sunrise, FL – April 4, 2008 – NationsHealth, Inc. (Nasdaq: NHRX) (the “Company”) announced today that on April 1, 2008, it received a Staff Determination Letter from the Nasdaq Listing Qualifications Department stating that the Company had not gained compliance with the requirements of Nasdaq Marketplace Rule 4310(c)(4) (the “Rule”), and that its securities are therefore subject to delisting from The Nasdaq Capital Market.

As previously disclosed, on October 2, 2007, the Company was advised by the Nasdaq Listing Qualifications Department that the Company was not in compliance with the Rule because for at least 30 consecutive business days prior to October 2, 2007, the closing bid price of the Company’s common stock was below the minimum \$1.00 per share requirement for continued inclusion on The Nasdaq Capital Market and that the Company was provided 180 calendar days, or until March 31, 2008, to regain compliance with the Rule. The Company plans to timely request a hearing before the Nasdaq Listing Qualifications Panel (the “Panel”) to appeal the Nasdaq staff’s determination. The hearing request will stay the delisting action, and as a result, the Company’s securities will remain listed on the Nasdaq Capital Market until the Panel issues its decision following the hearing. There can be no assurance that the Panel will grant the Company’s request for continued listing on the Nasdaq Capital Market.
